NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
to be held June 12, 2009

Notice is hereby given that the Annual Meeting of Stockholders (the "Annual Meeting") of HKN, Inc., a Delaware corporation ("HKN"), will be held at the Renaissance New York Hotel Times Square, 714 Seventh Avenue at West 48th Street, New York, NY 10036 on June 12, 2009, beginning at 2:00 p.m. local time, for the following purposes:

- (1) To elect five directors to serve as members of HKN's Board of Directors until the next annual meeting of stockholders, or until their successors are duly elected and qualified;
- (2) To transact such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

The Board of Directors recommends that you vote in favor of the proposal described in the attached Proxy Statement.

The Board of Directors has fixed the close of business on April 17, 2009 as the date of record ("Record Date") for determining the stockholders entitled to notice of and to vote, either in person or by proxy, at the Annual Meeting and any adjournment or postponement thereof.

This year, we are using the "Notice and Access" method of providing proxy materials via the Internet. On or about May 1, 2009, we are mailing to most of our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and 2008 Annual Report and vote electronically via the Internet. The Notice of Internet Availability of Proxy Materials also contains instructions on how to receive a paper or e-mail copy of the proxy materials. Stockholders who previously elected to receive a paper or e-mail copy of the proxy materials will not receive a Notice of Internet Availability of Proxy Materials.

WHETHER OR NOT YOU PLAN TO ATTEND, YOU ARE URGED TO DATE, SIGN AND PROMPTLY RETURN YOUR PROXY SO THAT YOUR SHARES MAY BE VOTED IN ACCORDANCE WITH YOUR WISHES AND SO THAT THE PRESENCE OF A QUORUM MAY BE ASSURED. YOUR VOTE IS IMPORTANT. The giving of a proxy does not affect your right to revoke it later or vote your shares in person if you should attend the Annual Meeting.

If you plan to attend the Annual Meeting, please note that this is a stockholders' meeting and attendance will be limited to stockholders of HKN or their qualified representatives. Each stockholder will be asked to present valid picture identification, such as a driver's license or passport. Stockholders holding stock in brokerage accounts ("street name" holders) will need to bring a copy of a brokerage statement reflecting stock ownership as of the Record Date. Qualified representatives of a stockholder must have identification as well as a properly executed proxy from the stockholder they are representing. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

By Order of the Board of Directors

**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
to be held June 12, 2009**

SOLICITATION OF PROXIES

The accompanying Proxy is solicited on behalf of the Board of Directors of HKN, Inc., a Delaware corporation (“HKN”), in connection with the Annual Meeting of Stockholders (the “Annual Meeting”), which will be held at the Renaissance New York Hotel Times Square, 714 Seventh Avenue at West 48th Street, New York, NY 10036 on June 12, 2009 beginning at 2:00 p.m. local time, and any adjournments or postponements thereof, for the purposes set forth in the accompanying notice.

Starting with this Annual Meeting, we are using the “notice and access” process required by the Securities and Exchange Commission (the “SEC”) to distribute proxy materials to stockholders. This process allows us to post proxy materials on a designated website and notify stockholders of the availability of such proxy materials on that website. Thus, for most stockholders, we are furnishing proxy materials, including this proxy statement and our Annual Report on Form 10-K for the year ended December 31, 2008, by providing access to such documents on the Internet instead of mailing paper copies. The Notice of Internet Availability of Proxy Materials (the “Notice”), which is being mailed to most of our stockholders, describes how to access and review all of the proxy materials on the Internet. The Notice also describes how to vote electronically via the Internet. If you would like to receive a paper or electronic copy by e-mail of our proxy materials, you should follow the instructions for requesting such materials in the Notice. Your request to receive proxy materials in paper form by mail or electronically by e-mail will remain in effect until you revoke it. Choosing to receive your future proxy materials by e-mail will save us the cost of printing and mailing documents to you. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting website. You cannot vote your shares by filling out and returning the Notice of Internet Availability of Proxy Materials. The Notice merely identifies the matters to be voted on at the Annual Meeting.

RECORD DATE AND VOTING SECURITIES

The Board of Directors has fixed the close of business on April 17, 2009 as the Record Date for determining the holders of common stock, \$.01 par value per share, of HKN (“Common Stock”) entitled to notice of and to vote, either in person or by proxy, at the Annual Meeting. The shares of Common Stock are the only shares of capital stock entitled to vote at the Annual Meeting. On April 17, 2009, HKN had 8,761,384 shares of Common Stock outstanding.

QUORUM AND VOTING

Each share of Common Stock is entitled to one vote. The presence, in person or represented by proxy, of the holders of a majority of the issued and outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes (*i.e.*, shares held by a broker for its customers that are not voted because the broker does not receive instructions from the customer or because the broker does not have discretionary voting power with respect to the proposal under consideration) are counted for purposes of determining whether a quorum is present.

On all matters submitted to a vote of the stockholders at the Annual Meeting or any adjournment thereof, each stockholder will be entitled to one vote for each share of Common Stock owned of record by such stockholder at the close of business on April 17, 2009.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked "Withhold All" with respect to the election of directors will not be voted with respect to any of the directors, although it will be counted for the purpose of determining whether there is a quorum. A properly executed proxy marked "For All Except" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for the purpose of determining whether there is a quorum. Any proxy upon which no instructions have been indicated will be voted **FOR** election of the director nominees. Abstentions and broker non-votes will have no effect on the election of nominees to the Board of Directors.

The affirmative vote of the holders of a majority of the shares having voting power, which are present in person or represented by proxy, shall decide all other questions properly brought before the Annual Meeting.

If any other matters are properly presented at the Annual Meeting for consideration, the individuals named as proxies and acting thereunder will have discretion to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. At the date this Proxy Statement went to press, we did not know of any matters, other than the proposal disclosed in this proxy, to be presented at the Annual Meeting.

ACTIONS TO BE TAKEN UNDER THE PROXY

HKN knows of no other matters to be presented at the Annual Meeting other than as listed below:

1. To elect the five nominees named in this Proxy Statement to the Board of Directors of HKN to hold office until the next annual meeting of stockholders, or until their successors are duly elected and qualified.

If, however, other matters properly come before the Annual Meeting or any adjournments thereof, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with their judgment on any such matters. The persons named in the accompanying proxy may also, if it is deemed advisable, vote such proxy to adjourn the Annual Meeting from time to time.

RECOMMENDATIONS OF THE BOARD

Unless a stockholder gives other instructions on the proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendation of the Board of Directors. The Board recommends a vote **FOR** each of the director nominees.

PROXY SOLICITATION

The expense of any solicitation of proxies will be borne by HKN. HKN will request banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Common Stock held of record by such persons as of the Record Date, and HKN will reimburse such entities for their reasonable out-of-pocket expenses. Additionally, the original solicitation of proxies by mail may be supplemented by telephone, email, fax or personal solicitation by officers or regular employees of HKN. No additional compensation will be paid to officers and regular employees for such services.

You may revoke your proxy at any time before its exercise. You may also revoke your proxy by voting in person at the Annual Meeting. If you are a beneficial shareholder, you must contact your brokerage firm or bank to change your vote or obtain a proxy to vote your shares if you wish to cast your vote in person at the Annual Meeting.

CORPORATE GOVERNANCE

Dr. J. William Petty, Michael H. Ameen, Jr. and Hobart A. Smith have been determined by our Board of Directors to meet the requirements for independence under the listing standards of the NYSE Amex (“NYX”) and Securities and Exchange Commission (“SEC”) Rules, and “financially literate or sophisticated” as required by and in compliance with the listing standards of the NYX and the regulations of the SEC. Our Board of Directors based its conclusions regarding the independence of these directors on (i) the fact that none of such persons is an executive officer or employee of the Company; and (ii) its opinion that none of such persons has a relationship which will interfere with the exercise of independent judgment in carrying out the responsibilities of such director. Our Board of Directors intends to analyze the independence issue annually to promote arms-length oversight.

As of April 17, 2009, our largest shareholder, Lyford, beneficially owned 36.18% of the combined voting power of our Common Stock. Lyford is in a position to exercise significant influence over the election of our Board of Directors and other matters.

During 2008, our Board of Directors (the “Board”) held four regularly scheduled meetings and acted through unanimous written consent on five separate occasions. During 2008, each member of our Board attended all of the Board meetings and all of the meetings for each Board Committee on which he served. Our independent directors meet in executive session at such times as they deem necessary, including on the dates of regularly scheduled meetings of the entire Board of Directors and meetings of the three standing committees of the Board of Directors, as determined by the independent directors. Our independent directors met in executive sessions eight times during the fiscal year ended December 31, 2008.

Our Board’s policy is to encourage all of our directors to attend each annual meeting of stockholders. Such attendance allows for direct interaction between stockholders and members of our Board of Directors. Each of our directors or director nominees attended our 2008 Annual Meeting on June 24, 2008.

Our Board of Directors has standing Audit, Compensation and Nominating Committees, which we describe below.

Nominating Committee. The Nominating Committee of our Board is comprised of Mr. Smith, who chairs the Nominating Committee, and Messrs. Ameen and Petty. Each of the members of the Nominating Committee is “independent”, as independence is defined in the listing standards of the NYX. The Nominating Committee adopted a written charter on October 15, 2004, which is available on our website at www.hkninc.com. During 2008, the Nominating Committee held no official meetings and acted by unanimous written consent one time. On March 26, 2009 the Nominating Committee, through written consent, determined its recommendations for director nominees for election at the 2009 Annual Meeting.

The Nominating Committee considers nominations for our Board, develops and reviews background information for candidates, and makes recommendations to our Board of Directors with respect to candidates for election as directors. The Nominating Committee identifies nominees for director through recommendations from directors, officers and stockholders. When evaluating nominees for director, the Nominating Committee considers several factors, including without limitation, the nominee’s ability to devote adequate time to the duties and responsibilities of our Board, the nominee’s independence under the requirements of the NYX and the rules and regulations of the SEC, and the nominee’s education and professional experience. All of the nominees for director at the 2009 Annual Meeting are directors standing for re-election with one also serving as an executive officer of the Company.

Audit Committee. The Audit Committee of our Board (the “Audit Committee”) is composed entirely of independent directors who meet the independence, experience and other qualification requirements of the NYX, the Securities and Exchange Act of 1934 and the rules and regulations of the SEC. The Chairman of the Audit Committee, Dr. J. William Petty, has been determined by our Board of Directors to be an “audit committee financial expert” as defined by the NYX rules and the SEC rules and regulations, and “financially sophisticated” as required by the NYX listing standards.

Our Audit Committee’s responsibilities are specified in the Audit Committee Charter (the “Charter”) which is available on our website at www.hkninc.com. As set forth in the Charter, the Audit Committee’s responsibilities include appointing, compensating, retaining and overseeing the work of the independent auditors for the Company (the “Auditors”), for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attestation services for the Company. Our management retains the primary responsibility for the Company’s financial reporting process, principles and internal controls as well as preparation of its financial statements. Our Audit Committee has implemented procedures to ensure that during the course of each fiscal year they devote the attention that they deem necessary or appropriate to each of the matters assigned to the Audit Committee under its Charter.

In the discharge of its responsibilities and consistent with standing practices, the Audit Committee held four meetings during 2008. The Audit Committee also held a number of conference calls, informal meetings and communications among the various committee members, the Company’s Auditors and/or members of Company management throughout 2008.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management and the Auditors the Company’s audited financial statements as of and for the year ended December 31, 2008. The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor. The Audit Committee oversees the Company’s reporting process on behalf of the Board. The Company’s management has primary responsibility for the financial statements and reporting process, including systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee has discussed with the Auditors the matters required to be discussed under auditing standards generally accepted in the United States, including those matters set forth in Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, (AICPA Professional Standards, Vol. 1, AU

section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T. We have received and reviewed the written disclosures and the letter from the Auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and have discussed with the Auditors the Auditors' independence. The Audit Committee has concluded that the Auditors are independent from the Company and its management.

Based on the reviews and discussions referred to above, we recommend to the Board that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2008.

Compensation Committee. The Compensation Committee of our Board ("Compensation Committee") is made up entirely of independent directors, as independence is defined in the listing standards of the NYX. Committee members are Michael M. Ameen, Jr., who chairs the committee, and Messrs. Ameen and Petty. Our Compensation Committee does not operate under a written charter. Our Compensation Committee is responsible for establishing base salaries, bonuses, and other compensation for our executive officers, including the CEO, and directors. Our Compensation Committee has no authority to delegate its authority; however, the members may retain the services of a compensation consultant and may consider recommendations of the CEO and Chairman of our Board during the process of establishing compensation for other executive officers. The Compensation Committee held no regular meetings during 2008, acted by unanimous written consent twice, and also held several conference calls, informal meetings and communications throughout 2008.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis ("CD&A") with our management and, based on such review and discussion, has recommended the CD&A be included in our Proxy Statement for the 2009 Annual Meeting of Stockholders.

Director performance is a key influence factor in organizational performance. Just as alignment of HKN's strategic objectives for management compensation are critical, so too is directors' compensation. To this end, directors' compensation is assessed annually to monitor and adjust it, as appropriate, in order to ensure alignment with HKN's strategic objectives.

The analysis and review of directors' compensation is the responsibility of our Compensation Committee and our Board of Directors. In undertaking this responsibility, our Compensation Committee may review compensation surveys of the oil and gas industry, engage consultants who provide supplemental data considered in establishing the directors' compensation. The Compensation Committee also takes into consideration HKN's financial results for the previous fiscal year, as compared with internal objectives and targets, the business climate during the year and the oil and gas industry in general. After our Compensation Committee has reviewed the data, it formulates a recommendation for review by our Board of Directors.

RELATED PARTY TRANSACTIONS

During 2008 to the time this Proxy Statement went to print, there have been no transactions or proposed transactions with related parties. The Audit Committee Charter authorizes our Audit Committee to review and approve all related party transactions in the absence of a separate committee being established by our Board for that purpose. Other than as addressed in the Audit Committee Charter, we do not employ specific written procedures for the review, approval or ratification of related party transactions involving our directors, officers and employees or their family members, but we consider such transactions on a case-by-case basis.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The principal objective of our executive compensation program is to attract, motivate, retain and reward executives in a fiscally responsible manner. To meet this objective, we use a combination of base salary and performance based cash bonuses. Our compensation program is designed to reward each Executive based on his/her level of responsibility, his/her individual performance and to align executive performance with the enhancement of shareholder value.

Our executive compensation guidelines are developed and monitored by our Compensation Committee, which is made up of the three independent directors on the Board. The Compensation Committee bears principal responsibility for determining appropriate compensation for our Chief Executive Officer, Chief Financial Officer and our three other most highly compensated executive officers, (referred to as “named executive officers” or “NEO’s” in this Proxy Statement). In fulfilling its role, our Compensation Committee is responsible for establishing guidelines to be used to measure our overall performance and that of each NEO and the corresponding adjustments to each NEO’s compensation levels. From time to time, our Compensation Committee will meet with our Chief Executive Officer to discuss executive compensation matters with regard to the other NEO’s in general. The Compensation Committee also meets without our Chief Executive Officer present and evaluates his performance compared with previously established financial and non-financial goals and guidelines.

Our compensation program elements allow us to meet our objectives by linking individual performance and company performance in determining a compensation package for each NEO that both rewards and motivates.

Overall Program Objectives

The principal objective of our executive compensation program is to attract, motivate, retain and reward executives in a fiscally responsible manner. To achieve this objective, we clearly communicate what is expected of executives with respect to performance goals. Compensation is designed to align actual compensation with performance results, delivering more compensation to executives when we achieve performance objectives and increased value to shareholders, with an inverse relationship occurring when we achieve lower performance results. Our Compensation Committee deliberates among its members to ensure guidelines and maximum performance goals are aggressive enough to warrant cash bonuses and adjustments to salary levels.

Achievement of our objectives is sought by providing the following primary executive compensation elements:

- A base salary that represents cash compensation based on internal equity and external industry-based competitiveness;
- A performance-based annual cash bonus that provides each NEO an opportunity to earn cash awards based upon the achievement of goals, performance targets and other guidelines during the course of a fiscal year;
- Benefit programs provided to all employees during 2008, including health care benefits, dental, life, vision and 401K programs.

We strive to provide a compensation opportunity for each NEO that is competitive with similar companies in the oil and gas industry. In doing so, we consider competitive market compensation data, including the compensation practices of peers, as well as broader industry compensation survey data.

Our Compensation Committee also reviews each NEO’s skills, scope of responsibilities, performance and effectiveness in supporting our overall goals.

Executive Compensation Elements

Base Salary

Purpose: The purpose of base salary is to reflect each executive's job responsibilities, individual performance and competitive compensation levels.

Considerations: Our Compensation Committee reviews and determines, on an annual basis, the base salaries of each NEO. Individual base salary levels are based upon years of experience and individual performance. This amount is not generally at risk and may be adjusted annually based on merit and external market conditions.

Annual Incentive Bonus

Purpose: The purpose of the annual cash incentive bonus is to align executive performance with annual strategic goals while enhancing shareholder value. To accomplish this objective we provide incentives in the form of an annual cash bonus upon the attainment of certain performance goals set out at the beginning of each year under general guidelines developed by our Compensation Committee.

Considerations: At the beginning of each year, our Compensation Committee establishes certain guidelines that can include financial and other performance targets. Cash bonus awards are considered annually through a discussion and determination of our Compensation Committee and our Board of Directors on key measures that drive performance. Our Board of Directors and management consider current performance, including strengths and performance gaps, to determine what areas need to be incented to achieve the strategic objectives for the year.

Equity and Long Term Compensation

We do not currently have in place any stock option or equity-based compensation plans. In 2004, after our Board authorized us, we terminated all of our employee stock option plans; as of December 31, 2004, all of our previously issued and/or outstanding stock options had expired or been voluntarily cancelled. Since that time, our Compensation Committee has determined not to use equity awards both in response to increasing criticism of such awards and because of the complications of financial accounting for such awards.

We do not currently have any long-term incentive, pension, nonqualified defined contribution, or other nonqualified deferred compensation plans.

Additional Benefits

Each NEO, as reflected in the All Other Compensation column of the 2008 Summary Compensation Table, also received life insurance premium benefits through December 31, 2008; this benefit has been discontinued effective January 1, 2009. Executives are also entitled to participate in the broad-based benefit plans offered generally to all of our full-time employees (e.g., the 401(k) plan, health insurance and other employee benefits). Such participation in these benefit plans exists on the same terms for all of our employees.

In addition, our Compensation Committee has determined to furnish Mikel Faulkner, our President and CEO, with a company car. The responsibilities of Mr. Faulkner's position require frequent business travel within the State of Texas and the use of this company car is primarily for such business travel. The use of this company car is a cost saving measure to us, saving on airline travel, car rental and other transportation costs, while allowing Mr. Faulkner flexibility in the performance of the duties of his position.

Total Compensation

Each element of compensation is independently set for each NEO. As a result, the allocation of each compensation component can vary by NEO.

Year-end 2008 Cash Bonus Awards and 2009 Compensation

In setting year-end 2008 cash bonuses and 2009 compensation levels, our Compensation Committee used internally developed guidelines, targeting certain performance goals. The Committee also assessed the competitiveness of each NEO's base salary.

2009 Compensation

Our Compensation Committee concluded that the base salary levels for each NEO should not be raised for 2009 due to the current decrease in oil and gas commodity pricing. The table below shows the 2009 base salary for each NEO:

<u>Officer</u>	<u>2009 Salary</u>
Mikel D. Faulkner	\$365,000
Anna M. Williams	\$205,000
Richard O. Cottle	\$190,000
Rodger A. Ehrlich	\$170,000
Kris Hartmann	\$145,000

Year-end 2008 Cash Bonus Awards

The bonus determinations for the NEOs are based upon performance against financial performance targets and against functional performance measures. The financial performance targets and guidelines were not met for 2008, due in major part to economic conditions beyond the control of HKN or its executive officers. Our Compensation Committee determined not to award year-end 2008 cash bonuses to our NEOs based on our financial performance for 2008. Our Compensation Committee determined to further review the cash bonus awards and 2009 compensation of the NEOs during the first quarter of 2009.

Tax Considerations

We have structured our compensation program to comply with Internal Revenue Code Sections 162(m) and 409A. Under Section 162(m) of the Internal Revenue Code, a limitation was placed on tax deductions of any publicly held corporation for individual compensation to certain executives of such corporation exceeding \$1,000,000 in any taxable year, unless the compensation is performance-based. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income. The Company has no individuals with non-performance based compensation paid in excess of the Internal Revenue Code Section 162(m) tax deduction limit.

During 2008, Dr. J. William Petty and Messrs. Ameen and Smith were members of HKN's Compensation Committee and participated in all deliberations concerning executive compensation. No executive officer of HKN served as a member of the Compensation Committee during 2008. None of the named Executive Officers serves or has served as a member of the board of directors or compensation committee of any other entity which has one or more executive officers serving on HKN's Board of Directors or Compensation Committee.

Directors, executive officers and greater than ten percent stockholders are required by SEC regulations to furnish HKN with copies of all Section 16(a) forms they file. PROPOSAL ONE

TO ELECT FIVE DIRECTORS TO SERVE AS HKN'S BOARD OF DIRECTORS

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Hein & Associates LLP, Certified Public Accountants and Advisors (“Hein”), served as HKN’s independent registered public accounting firm for the years ended December 31, 2008 and 2007, and has been selected as the independent registered public accounting firm for 2009.

The following table sets forth information concerning the fees billed by HKN’s independent registered public accountants during the last two fiscal years.

	2008	2007
	Hein	Hein
Audit Fees	\$257,591	\$267,270
Audit Related Fees	0	0
Tax Fees	0	0
All Other Fees	0	0

Audit Fees include fees billed for the audit of the consolidated financial statements, quarterly reviews of unaudited financial statements. The Audit Fees billed by Hein for 2008 and 2007 also include fees for the internal control audit included in the Form 10-K for the years ended December 31, 2008 and 2007.

The Audit Committee, or a designated member thereof, pre-approves audit and non-audit services rendered by its independent registered public accounting firm to HKN and its subsidiaries. If pre-approval authority is delegated, the delegate must report back to the Audit Committee at the first Audit Committee meeting following any approval. For fiscal 2008, 100% of all audit and non-audit services were pre-approved by the Audit Committee, which concluded that the provision of such services by HKN’s independent registered public accounting firm was compatible with the maintenance of that firm’s independence in the conduct of its auditing functions. All persons involved in the services performed by Hein during 2008 were permanent, full-time employees of Hein.

Representatives of Hein are not expected to be present at the Annual Meeting, and are not expected to make a statement or be available to respond to questions.

ANNUAL MEETING ADVANCE NOTICE REQUIREMENTS

Stockholder Proposals

HKN's bylaws provide that stockholder proposals and director nominations by stockholders may be made in compliance with certain ownership, advance notice, informational and other applicable requirements. With respect to stockholder proposals (concerning matters other than the nomination of directors), the individual submitting the proposal must file a written notice with the Corporate Secretary of HKN at 180 State Street, Suite 200, Southlake, Texas 76092 setting forth certain information, including the following:

- a brief description of the business desired to be brought before the meeting and the reasons for conducting that business at the meeting;

- any material interest of the proposing stockholder in such business.

The notice must be delivered to the Corporate Secretary (a) at least 60, but not more than 90, days before any scheduled meeting or (b) if less than 70 days' notice or prior public disclosure of the meeting is given, by the close of business on the 10th day following the giving of notice or the date public disclosure was made, whichever is earlier. Any such recommendation received by the Secretary of HKN will be presented to the Nominating Committee for consideration, based upon the criteria and process described in "Corporate Governance" and "Nominating Committee".

Board Nominations

A stockholder may recommend a nominee to become a director of HKN by giving the Secretary of HKN (at the address set forth above) a written notice setting forth the following information concerning each person the stockholder proposes to nominate (a "Proposed Nominee"):

- The name, age, business address and residence of the Proposed Nominee;
- The principal occupation or employment of the Proposed Nominee;
- The number of shares of Common Stock beneficially owned by the Proposed Nominee; and

The stockholder's notice must also contain the following information concerning the proposing stockholder:

- The name and record address of the proposing stockholder;

Such nominations must be made pursuant to the same advance notice requirements, including deadlines for receipt, for stockholder proposals set forth above. In addition, any such recommendation must be accompanied by a written statement from the individual of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director.

General Information

HKN's annual meetings are held each year at a time and place designated by HKN's Board of Directors in the notice of the meeting. Copies of HKN's bylaws are available upon written request made to the Secretary of HKN at the above address. The requirements described above do not supersede the requirements or conditions established by the SEC for stockholder proposals to be included in HKN's proxy materials for a meeting of stockholders. The chairman of the meeting may refuse to bring before a meeting any business not brought in compliance with applicable law and HKN's bylaws.

STOCKHOLDER PROPOSALS FOR INCLUSION IN PROXY MATERIALS FOR 2010 ANNUAL MEETING

Under the SEC's proxy rules, stockholder proposals that meet certain conditions may be included in HKN's proxy statement and form of proxy for a particular annual meeting. Stockholders that intend to present a proposal at HKN's 2010 Annual Meeting of Stockholders must send the proposal to HKN so that it is received at HKN's principal executive offices no later than December 31, 2009 to be considered for inclusion in the proxy statement and form of proxy related to the 2010 Annual Meeting of Stockholders. If HKN chooses to accelerate the date of its 2010 Annual Meeting, the deadline for receipt of stockholder proposals to be considered for inclusion in HKN's proxy materials will change and HKN will notify stockholders of the changed deadline in a Quarterly Report on Form 10-Q, Current Report on Form 8-K or press release. Stockholders that have an intention to present a proposal that will not be included in the proxy statement and the form of proxy must give notice to HKN by the deadline set forth under "Annual Meeting Advance Notice Requirements – Stockholder Proposals" above. Any and all such proposals and notices should be sent to the attention of the Secretary of HKN. Any and all such proposals must comply with applicable SEC regulations in order to be included in HKN's proxy materials or to be presented at the Annual Meeting.

OTHER INFORMATION

HKN will provide to each person solicited, without charge except for exhibits, upon request in writing, additional copies of HKN's Annual Report on Form 10-K for the year ended December 31, 2008. Requests should be directed to the Secretary of HKN, Inc., 180 State Street, Suite 200, Southlake, Texas 76092, (817) 424-2424. HKN's Annual Report on Form 10-K is also on file with the SEC, Washington, D.C. 20549.

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding", potentially provides extra convenience for shareholders and cost savings for HKN. Under this procedure, multiple shareholders who share the same last name and address will receive only one copy of the annual proxy materials, unless they notify HKN that they wish to continue receiving multiple copies. HKN has undertaken householding to reduce its printing costs and postage fees. If shareholders wish to opt-out of householding and continue to receive multiple copies of the proxy materials at the same address, a shareholder may do so at any time prior to thirty days before the mailing of proxy materials, which will typically be mailed in April of each year, by notifying HKN in writing at 180 State Street, Suite 200, Southlake, TX 76092 or by contacting HKN at 817-424-2424. Shareholders also may request additional copies of the proxy materials by notifying HKN in writing at the above-referenced address or contacting HKN at the above-referenced telephone number, and HKN will undertake to deliver such additional copies promptly.
